

## **MIRACLE A9 Premium Software Update**

Date of Update: **February 23, 2016**

This update includes the following new features:

### **Changes:**

- Better interface for preview function.
- An improved "My Key Info" function (Creation keys).
- Added cutting key shoulder function in "Manual Cut".
- "Remote Support" button on screen for customer assistance.
- Several minor bugs fixed: greater stability on tablet, software corrections, etc.
- Increased database information for Car and House keys (See below).

### **Newly added key database**
