

MIRACLONE Software Update

Date of Update: **December 6, 2013**

This update includes the following new features:

Please update to this latest. It has some bug fixes relating to Windows 8.

We can now also eeprom to an ID46W carbon transponder where necessary.

MiraClone

02-12-2013 3.65.00

+ Improve read/write ID:8E

+ Improve function automatic recognising eeprom modules

+ Recovering transponders ID:46 on ID:46w(AT61) without writing back eeprom

16. Renault,Dacia immobox Sagem

24. Renault Laguna II
